REVEALED!

Beth had gotten into her share of trouble while here, yet it was HARD to say good-bye.

BREAKDOWN: AMANDA CONNER
FINISHES: ALBERTO SAICHANN

FLIGHT 57 TO PHOENIX,
NOW BOARDING AT GATE 19.
PLEASE HAVE YOUR
BOARDING PASSES READY.

OH,
THAT'S ME! GOODBYE,
ELISA! I'M SORRY I WAS
SUCH A PAIN IN
THE BUTT!

YOU
WEREN'T A
PAIN IN--

OH,
MAYBE YOU WERE,
BUT THAT DOESN'T
MEAN I DON'T LOVE
YOU, BETH!

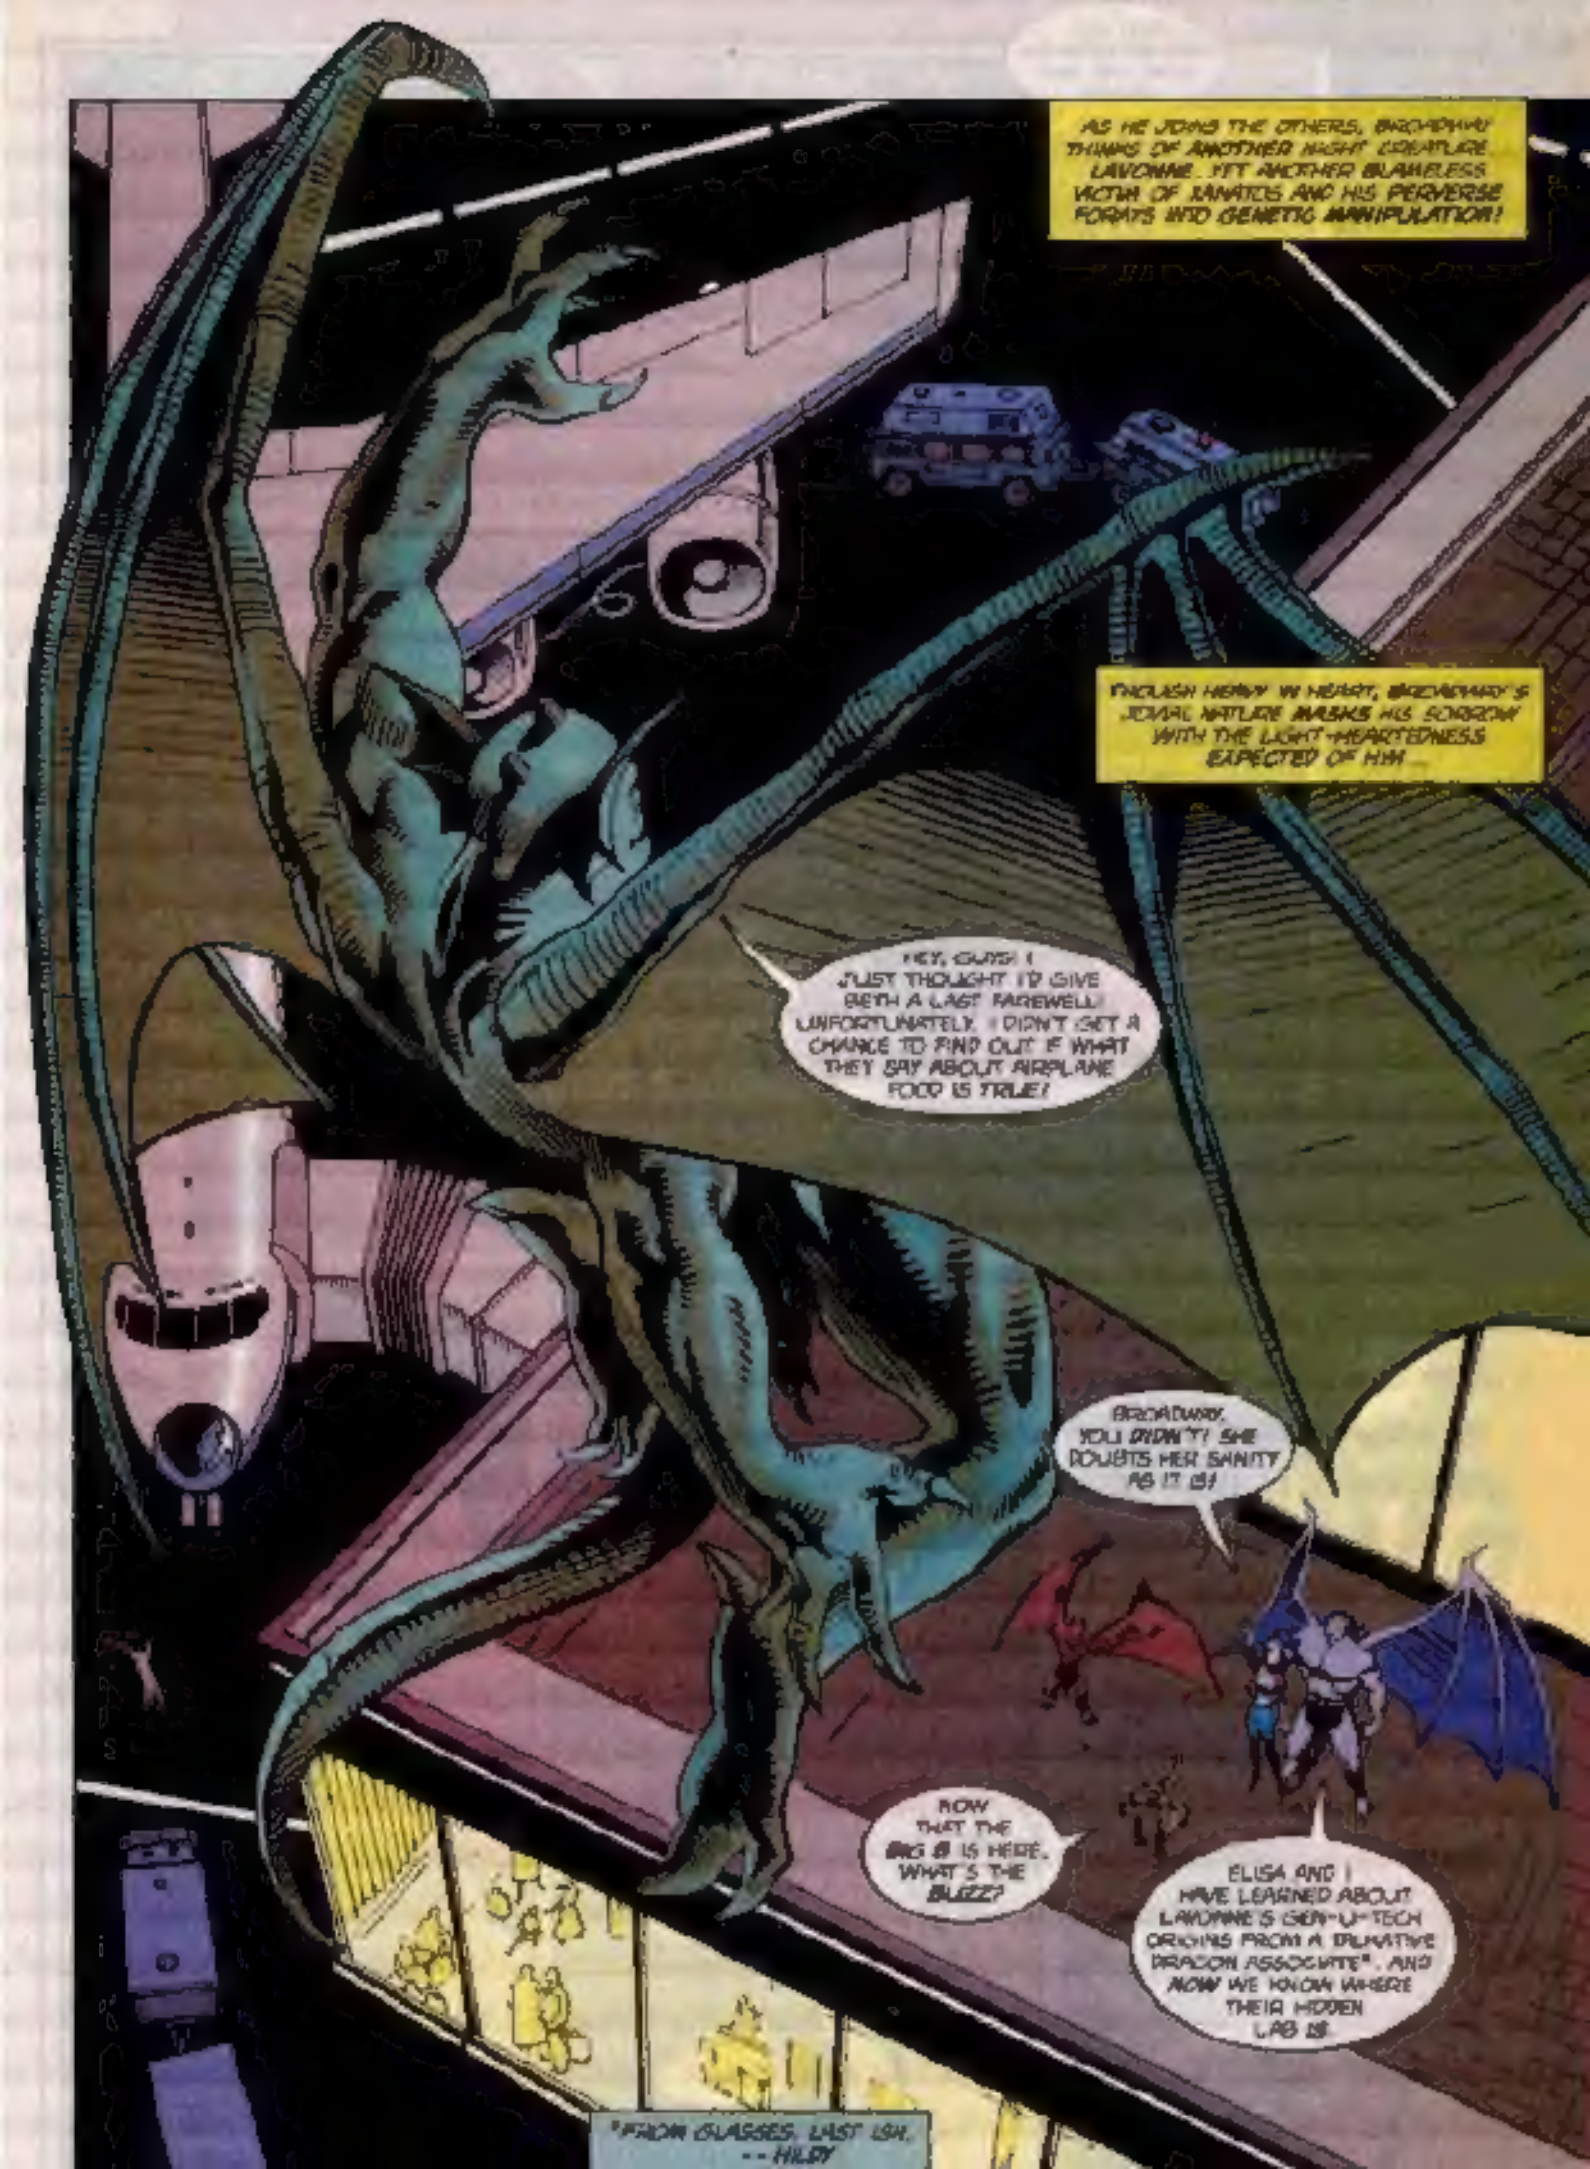

I THOUGHT
I'D SEE SOME ACTION
ON MY VACATION IN NEW
YORK, BUT I DON'T
THINK I WOULD SEE
MONSTERS!

WOLFE & BULLDOG
STARR: JOHN COSTANZA
THANK YOU VERY MUCH

I also felt GUILTY letting her
think she saw MONSTERS.
What if she knew I hung out
with SIX "monsters" almost
EVERY night?

AS HE JOINs THE OTHERS, BROADWAY THINKS OF ANOTHER NIGHT CREATURE: LAVONNE. YET ANOTHER BLAMELESS VICTIM OF KANITES AND HIS PERVERSE FORAYS INTO GENETIC MANIPULATION!

THOUGH HEAVY IN HEART, BROADWAY'S JOVIAL NATURE MAKES HIS SORROW WITH THE LIGHT-HEARTEDNESS EXPECTED OF HIM.

HEY, GUYS! I JUST THOUGHT I'D GIVE BETH A LAST FAREWELL! UNFORTUNATELY, I DIDN'T GET A CHANCE TO FIND OUT IF WHAT THEY SAY ABOUT AIRPLANE FOOD IS TRUE!

BROADWAY, YOU DIDN'T! SHE DOUBTS HER SANITY AS IT IS!

NOW THAT THE BIG B IS HERE, WHAT'S THE BUZZ?

ELISA AND I HAVE LEARNED ABOUT LAVONNE'S GEN-U-TECH ORIGIN FROM A PRIMITIVE DRAGON ASSOCIATE*, AND NOW WE KNOW WHERE THEIR HIDDEN LAB IS.

*FROM GLASSES, LAST ISN, -- HILBY

LAVONNE WAS VIRTUALLY DEAD WHEN GEN-U-TECH MUTATED HER INTO A VAMPIRE WITH AN ENGINEERED TASTE FOR SOME PARTICULAR BLOOD... BARGOYLE BLOOD!

I KNOW BUT SHE WAS VERY SPECIAL

UNDER DIFFERENT CIRCUMSTANCES WHO KNOWS WHAT COULD HAVE HAPPENED?

THAT SICKENING GEN-U-TECH BODY CHOP SHOP IS RESPONSIBLE FOR HER MISERY... SHE BEGGED ME TO KILL HER!

TH- THEY CAN'T GET AWAY WITH IT!

THEY WON'T, BROADWAY. I KNOW YOU AND LAVONNE WERE CLOSE

BUT NOW GOLATH AND I HAVE EVERYTHING SET FOR A VERY DISCREET RAID TOMORROW NIGHT

BOY! THE OL' LUG SURE IS THINKING THIS HARD!

THE LABS ARE ON A MAN-MADE ISLAND, DOWN OFF THE COAST AND OVER THREE MILES OUT.

"HIDDEN UNDER PRE-FABRICATED LANDSCAPING IS A MAZE OF UNDERGROUND LABORATORIES AND BARBARIC TESTING FACILITIES.

"THE WORD IS THAT THEY ARE READY TO RELEASE A NEW WEAPON, KNOWN ONLY AS THE MEDUSA DEVICE!"

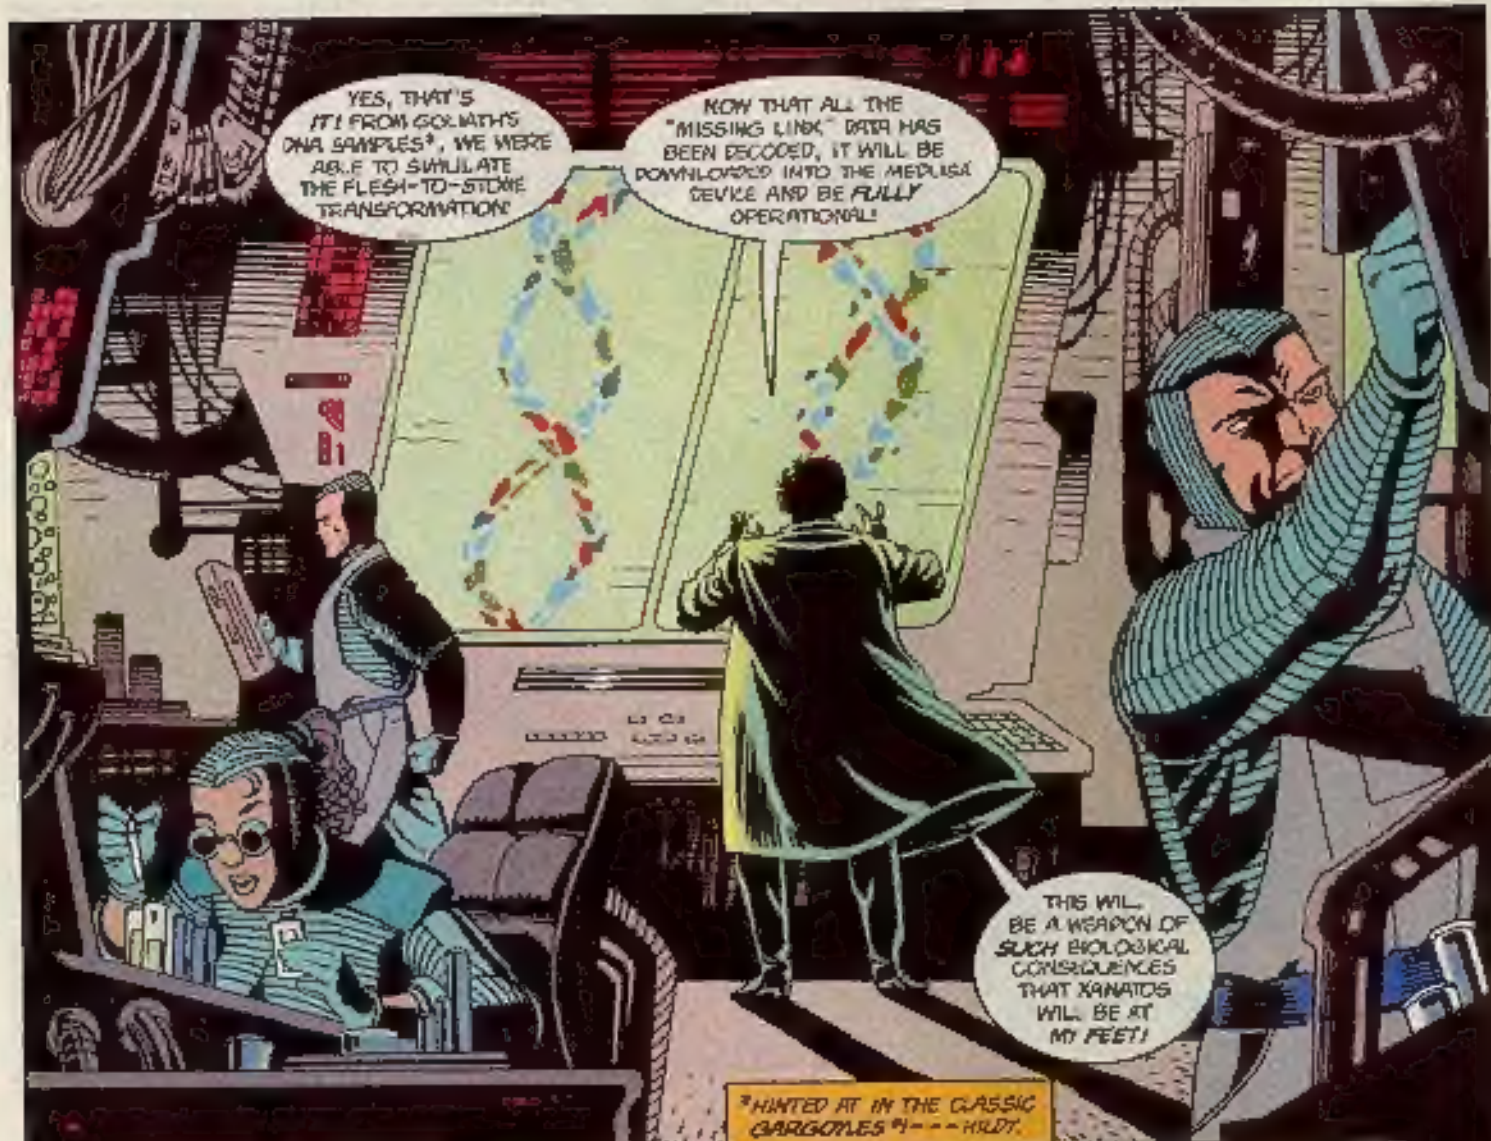

"KNOWING THE TWISTED MIND AND HUMOR OF RAMPAGE, WE CAN ONLY IMAGINE ITS CAPABILITIES

BEFORE GEN-U-TECH CAN UNLEASH ANY MORE NIGHTMARES ON THE WORLD

HERE HERE! FINALLY, WE HAVE IT!

GENETIC SAMPLE ISOLATIONS ON SCREEN, DOCTOR!

"WE'LL HIT THE ISLAND TOMORROW EVENING."

YES, THAT'S IT! FROM GOLWATH'S DNA SAMPLES*, WE WERE ABLE TO SIMULATE THE FLESH-TO-STONE TRANSFORMATION!

NOW THAT ALL THE "MISSING LINK" DATA HAS BEEN DECODED, IT WILL BE DOWNLOADED INTO THE MEDUSA DEVICE AND BE FULLY OPERATIONAL!

THIS WILL BE A WEAPON OF SUCH BIOLOGICAL CONSEQUENCES THAT XANATOS WILL BE AT MY FEET!

*HINTED AT IN THE CLASSIC CARGONES #1 - -- HLDY.

LIKE THE BORGON OF LEGEND, MY WEAPON WILL -- EHH?!

FWEE-SST

PHOBOS, WHAT ARE YOU RAMBLING ON ABOUT?!

MR. XANATOS, SIR?

YOUR LITTLE ISLAND LAB HAS NOT BEEN QUITE WORTH THE INVESTMENT. WE'RE LUCKY THAT VAMPIRE FIASCO DIDN'T BLOW UP IN OUR FACES!

BUT, SIR, THE MEDUSA PROJECT IS ALMOST COMPLETE. THE PROTOTYPE DEVICE SHOULD BE READY BY TOMORROW NIGHT!

OH, REALLY?

SEE THAT
IT IS. WE CANNOT
TOLERATE ANY MORE
FAILURE, PHOENIX!
GOODBYE!

SHOULD I
PREPARE THE
YACHT FOR AN
ISLAND JAUNT,
SIR?

I DON'T HAVE
THE LUXURY, OWEN. HAVE
THE V.T.O.L. * JET READY FOR
DEPARTURE AT A MOMENT'S
NOTICE!

I HAVE A FEW
PREPARATIONS BEFORE
I HEAD TO GEN-U-TECH

OH DEAR,

Late the next
afternoon, the yacht slips
confidently through the water.
Its engine the only sound
breaking the eerie silence.

If anyone had seen this crit, they
might have wondered why a boat
was adorned with six CARGOYLES!

RISE AND
SHINE, GUYS! WE'RE
ALMOST THERE!

RRHHH! THE
SMELL OF THE SEA IN THE
AIR IS A REFRESHING NEW
WAY TO WAKE UP!

THIS IS A PHAT RIDE YOU GOT US, ELISA! WHERE'D YOU GET IT?

IT WAS CONFISCATED IN A DELAG BLIST AND WON'T BE MISSED BY THE PREVIOUS OWNER. HE'S GONE TO A BETTER PLACE!

HE IS DEAD?

NO. WITNESS PROTECTION PROGRAM!

XANATOS CREATED THIS ISLAND UNDER THE PRETENSE OF IT BEING A COASTAL GAMBLING RESORT AND SUBMITTED THESE SOMEWHAT QUESTIONABLE MAPS TO THE COAST GUARD.

FROM WHAT I SEE HERE, THIS PART OF THE ISLAND IS THE MOST LIKELY TO HOUSE THE SECRET UNDERGROUND GEN-LI-TECH LABS!

WE SHOULD ANCHOR HERE, ANY CLOSER AND WE MAY BE DETECTED!

AND HOW THEN DO YE PLAN TO FERRY US ALL TO THE ISLE LASS?

UH, THAT'S ONE THING I HAVEN'T FIGURED OUT YET!

WHILE DEEP IN THE BOWELS OF THAT ARTIFICIAL ISLAND...

THAT'S IT... A LITTLE COSMETIC WELDING AND THE MEDUSA DEVICE IS COMPLETE!

INTERESTING

I LIKE THE NAME OF YOUR LITTLE PROJECT. FOR SOME REASON, YOUR HUMAN MYTHS ARE MUCH MORE FASCINATING THAN YOUR MYTHETIC SPECIES!

PERIOD!

YOU'VE GOT A LOT OF NERVE BEING HERE!

ME? NOW
WHY DO YOU SAY
THAT?

YOU'RE
JUST PARANOID

YOU DON'T HAVE
A REASON
TO BE.

DON'T

Dear Hilly,

Thanks for printing my letter. I really appreciate it! The Gargoyles Fan Club keeps getting bigger every day! Also, I would like to address Juliana Walker's letter in GARGOYLES #3. They mentioned in the letter about exploring who "fashioned the Gargoyles." In the TV show, they talk about the "rookery", where the Gargoyles' eggs are kept. They were hatched, not carved! Please print my address this time, so others who wish to know about the club can reach me without a computer. Thanks!

Sounds like you guys are having some fun! For more info about Kyle's fan club, drop him a line!

Dear Written In Stone,

Unfortunately, I missed your first issue, but I did manage to get the second. I like the fact that you've managed to keep true to the TV series. This is the first time that I've really gotten into a comic book. One reason I picked up the comic is that I love the Gargoyles show and another is that I like to draw. I drew a few of the Gargoyles after reading the comic. I just wanted to say "keep up the great work and I'll continue to get the magazine. Thanks for giving me the chance to find good pictures of my favorite characters so I could finally draw them!

Sara Rosera, age 18
Portland, OR

Thanks for giving the GARGOYLES comic a chance, Sara. It's funny how a lot of our readers are not regular comic buyers, but they sure are a creative lot! Judging by our mail, there're many artists and writers out there who are inspired by this comic. But, don't keep it to yourself! Make sure all your friends know how cool the GARGOYLES comic is!

Dear Hilly and Lisa,

Yes, yes! Please do a GARGOYLES Year One series! I'd love to know more about their origins, and it would be great, albeit tragic, to learn more about some of their comrades who were destroyed so long ago in Scotland. You know, I'd like to think other Gargoyles exist in such old cities as Prague or Leipzig. Perhaps one day, they'll find their way to New York and befriend Goliath and company.

Like other fans, I'm glad this book contains new stories rather than mere adaptations of the cartoon. You know the blue, dog-like Gargoyle who doesn't speak and is treated pretty much as a pet? Does he have a name? In GARGOYLES #3, it was wonderful watching him struggle with bubble gum and ultimately getting it all over his face. This was all done in the background while

the others talked. Charming details like this are part of what makes this book so excellent. Thanks for such a great adventure!

Geri Fox, age 37

Part of the fun of reading GARGOYLES is checking out the background action! Big thanks to incredible artist Amanda Conner for all the cool detail in every panel! Be sure to tune in this fall for the GARGOYLES second television season (they'll be on FIVE days a week!) and don't miss a single issue of GARGOYLES comics — there're some tasty tidbits coming up that will answer your questions about the early days! The gargoyle beast is indeed a jet and goes by the moniker, BRONX. Because you fans demanded it, look for a story featuring him in a future issue!

Dear GARGOYLE Writers,

I think the Gargoyles would look better in leather jackets! I was wondering what kind of lab experiments would they do to Goliath if they caught him? My favorite Gargoyles are Lexington and Brooklyn because of their interests in 20th Century stuff. Keep up the good work and Hildy, don't sweat (or heavy).

Dan Douglas, age 13
Marble Hill, MO

Brooklyn often sports a leather jacket when he goes motorcycle riding, Tony, but the other Gargoyles might not like having their wings restrained in jackets. Funny you should mention experiments. Did you notice the beautiful creature on the last panel of this month's story? Don't miss next month, Tony, because Goliath and Elisa are involved in some very bizarre close work!

Dear GARGOYLES,

I really like Amanda Conner's artwork. My favorite Gargoyles are Brooklyn and Lexington. What's Lexington got to do with New York? All the Gargoyles have names from New York! Why?

Travis Taylor
Oven Sound, Canada

Back in ancient Wyvern, the Gargoyles had no need of proper names. It wasn't until they woke up a thousand years later that, with the help of Elisa Mazo, they named themselves out of modern necessity. All of them, except Goliath, decided to take their names from different parts of their new home, New York City. Lexington is named after Lexington Avenue.

Dear Gargoyles,

I think I am the biggest Gargoyles fan there is! I have bought everything about Gargoyles I can find. I've got the video, all of the GARGOYLES comics, those tiny toys from Burger King and I

get up at 7 A.M. every Friday, just so I can see the show. I think Gargoyles is the best animated action show on TV. Your comics are extremely good and I'm so glad you aren't doing any of the same plots as on TV.

Waiting for your next comic.
Ben O'Brian
Toronto, Ontario
Canada

Now that Gargoyles will be on every day next fall, Ben, hope you don't mind waking up every morning at 7! And just to remind all of our readers, to make sure you never miss an issue of GARGOYLES, you can reserve a copy at your favorite comic shop or subscribe and every issue will be delivered right to you! Subscription forms are in this very comic!

Dear Written In Stone,

Ever since I saw the first Gargoyles show on TV, I was hooked. I started buying all the Gargoyles things I could! I bought the Disney Adventures magazine and even bought statues of them for my room! Now I have some ideas for your GARGOYLES comic. First, I think you should let Bronx and Hudson have bigger parts in the comic. Second, I think it would be neat if the Gargoyles met other gargoyles. The last thing is, I think it would be cool if David Xanatos made a potion that turns people into Gargoyles, then he would drink it and turn into a Gargoyle. Then he could have a fair fight with Goliath and the others!

Andrew Bartolotta, age 13
North Port, FL

Those are some neat ideas, Andrew. New writer Mort Todd plans to showcase more of the other Gargoyles, while still focusing on Goliath and Elisa. And what do you think of the current storyline where the Gargoyles encounter a new creature: part human/part gargoyle?

Next Month:

Goliath is up against a humanoid Gargoyle that looks and acts like Elisa. How can he defeat an opponent he can't even bring himself to fight?
